### **About this Release**

#### **ABOUT THIS RELEASE**

A file containing unit record data from the 1998-99 Household Expenditure Survey, together with estimates produced in the 1998-99 study of the effects of government benefits and taxes on household income. It contains no names or addresses and the detail for some data items has been suppressed or reduced. Subject to the limitation of sample size and the data classifications used, it is possible to manipulate the data, produce tabulations and undertake statistical analyses to individual specifications.

Formerly: Household Expenditure Survey, Australia: Confidentialised Unit Record File on CD-ROM
